

Finding your way from Owen Roberts International Airport to Cayman Kai, Rum Point, is fairly easy! Grand Cayman is a small island, there's basically one main road, from one end of the island to the other.

Depending if you observe the speed limits (mostly 30 mph, maximum 50 mph only in a few places) it should take you about 30 to 45 minutes to reach Cayman Kai.

There's only one exit road from the airport and rental car plaza, which ends after about one mile at a stop sign. At the stop sign, just beside the post office, turn left and continue past Foster's Food Fair until the "give way" sign. (In terms of price and variety, Foster's Food Fair is a good choice in supermarkets, but about 1.5 miles further along your route on the left, you can also stop at [Hurley's Marketplace](#), in the new Grand Harbor Shopping Centre, surrounded by numerous palms and attractive landscaping. **But, please note that all Island supermarkets are closed on Sunday.** The supermarkets are all open till 10:00PM, six days a week. There is one convenience store (with almost

everything you'll need) accessible about 5 miles from Cayman Kai, which is open 8:00AM to 8:00PM, six days a week.

After the "give way" sign, keep to the left and follow the road which curves left around the end of the airport runway. You're now on the main road (the A2) heading east to Bodden Town, East End, North Side, and Rum Point. Along the way to Bodden Town, the road leads through several villages, including Prospect, Spotts, Savannah, Lower Valley, and Pedro. After Pedro, you'll enter the Village of Bodden Town (watch out for the 25 mph speed limit signs), and the road curves sharply to the left.

Just after the curve, there's an Esso station on your right (seaside), followed by a Texaco station, and then, around 200 feet further, Turtle Nest Inn on the right. Continue on and you will see a post office on your left,

Continue on this road through Pease Bay and Breakers (you will pass the Lighthouse Restaurant on the right side) and turn left at Frank Sound Round (look for signs to Rum Point and Cayman Kai). Continue on this road to North Side and bare left after the Texaco Station at Old Man Bay. This will take you right into Cayman Kai area.

You will see this sign on the left side of the road as you enter "Cayman Kai". Continue down the road for a short period of time and you will **bear left** at the Hyatt Retreat (don't go straight- if you pass the sign "Welcome to Rum Point" you have gone to far).

The Island House numbers 63, 51, 41, 31, 19, 40, 50, 58, 66 located on the map above are the Island House's street address number. Please look for the Island House "Number" located above the front door of the Island House and just park your car right out in front, on the sand.
